FMS Parent Teacher Conferences: Sept. 30 and Oct. 1

If you have information about bullying, child abuse, dangerous behavior, drugs, alcohol, weapons, internet safety, suicide threats, threats, violence, vandalism, etc. make an anonymous phone call to

1-877-542-SAFE or report anonymously at www.safe2tell.org

Please remind your students to make sure that they bring their lunch tickets with them every day!

We Ride with PRIDE

1st Quarter Coming to a Close

We are quickly approaching the end of the 1st quarter of school! We are excited about what has happened as well as what is planned for the near future.

First, thank you to all of the parents and students who attended Parent Conferences. This is such a great way to connect with the teachers and ensure that we are working together to help the students. Thank you also to the Booster Club members who provided dinner for staff both of the conference nights! This is such a treat! Although conferences are over, please continue to contact us with any questions or concerns that you have.

6th Grade had a

great time at their Outdoor Learning Day at Id-Ra-Ha-Je! This is a great opportunity for students to connect with each other and the teachers. This is also a great way for them to challenge themselves through different activities such as the climbing wall!

7th Grade is preparing for their International Towne trip on Oct. 21st. They are beginning to learn about the different countries that they will be "visiting" as well as thinking about the jobs that they may be interested in. Any 7th grade parents who would like to volunteer for this day, please contact Dean Arniotes at X1425. This is an amazing experience for the students!

We are also bringing our fall sports to a close. We had a great number of students participate in Volleyball, Football, and Cross Country. Thanks to all of the parents who helped support these programs and all of the staff that committed time to the athletes. We will be gearing up for Boys Basketball next. Still to come are Girls Basketball, Wrestling, Speech, and Track!

A couple of upcoming dates to mark on your calendar... October 23rd is a teacher inservice day, so there is no school for students. November 11th is our Veteran's Day assembly. Please feel free to attend and invite any Veterans you may know.

Flu Season Already?

It is already upon us...Flu Season! Just a couple of tips as we are already experiencing large numbers of sick students.

If your student is sick, please keep them home. I know that we talk about the importance of good attendance, but it is counter productive if a student is not feeling well and

exposing the other students.

We have had several students confirmed with the flu, strep throat, and just plain cold viruses. We are trying really hard to keep our desks, door handles, etc. clean, but the germs are inevitably being passed. Please help remind your students to wash their hands, get plenty of sleep,

and dress appropriately.

Flu shots are being given throughout the community. We will be offering flu shots at the District Office on Oct. 7 and 14.

We will just continue battling all of these illnesses, and we will make it through! Thanks for your help during this time!
