Failure to have the vehicle that you park at PCHS registered with the school will result in an official warning. If you receive three warnings you will lose your driving/parking privileges at PCHS. Violation of any other policies established for the use of the parking facilities at Platte Canyon High School can result in the suspension or loss of parking privileges. Understand that your vehicle may be subject to a search if school officials, including the school Resource Officer, have "reasonable suspicion" that you are violating school policy or criminal statute.
